

Nordgröna Price List

EUR | Version 2022.4 | Valid from 1 July 2022

CONDITIONS OF SALE

Order	Email for purchase order: orders@nordgrona.com
Order Confirmation	An order confirmation is sent to the purchaser, who is responsible for checking the details. Unless we have been informed otherwise within 48 hours, the order acknowledgement shall be considered to be approved by the customer.
Prices	The current price list replaces all previous price lists and may be subject to changes at any time without prior notice. Delivery and installation is not included in the price. All prices are in EUR excluding statutory value-added tax (VAT) and any import duties.
Payment	As agreed with Nordgröna. Invoices not settled by the due date of payment will be charged with penalty interest. All merchandise remains the property of the seller until payment has been received in full.
Transport Damage	Any transport damage must be reported within 5 days from receipt of the goods.
Dispatch	4–6 weeks from factory For orders above 10 000 EUR net: As agreed with Nordgröna If all items are in stock, orders can be sent within 5 business days.
Product Specifications	Due to the characteristics of natural material, colours and measurements are approximations.
Freight Rates	<i>Germany, Benelux, Finland,</i> 3% of order value. Minimum 40 €. <i>Other countries</i> EXW or actual freight cost
Warranty	A five-year warranty from the date of the original invoice covers any defects in materials, manufacturing or construction. The factory warranty does not cover normal wear and tear. For specially adapted products Nordgröna gives a two-year warranty. Any complaints relating to products supplied must be submitted to Nordgröna in writing together with documentation corroborating the nature of the fault.
Reservations	This document was prepared based on the best available information and with due diligence. There is no warranty for printing errors, specification errors or mistakes. Furthermore, the continuous further development of Nordgröna products as well as the amendment of standards and public documents may result in price, design and construction changes and amendments to payment terms.
